

2022 Letter to Seventh day Adventist Believers

Greetings, fellow Seventh-day Adventist believer.
Greetings in the name of Jesus Christ, our Lord.

As believers in the Word of God, and those who find inspiration in the writings of Ellen G. White, we know that CHARACTER is the most important possession we have. The purpose of the Plan of Salvation is to rescue us from death by creating a new, holy character in fallen man, (Psalm 51:10) and then sanctifying us so that we come to reflect the perfect character of Christ Himself. (Ephesians 4:13)

We know that sacred things are never to be accomplished with the use of secular force. The use of force by an organization that claims to be Christ's Church is a betrayal of the Heavenly religion, and a rejection of the Christ-like Character. "Force is the last resort of every false religion." [The Signs of The Times, May 6, 1897] This also includes attempting to control the faith of others by bringing lawsuits against fellow believers concerning Church matters. The Apostle Paul writes, "Dare any of you, having a matter against another, go to law before the unjust, and not before the saints? [...] But brother goeth to law with brother, and that before the unbelievers." (1 Cor 6:1,6) "When troubles arise in the church we should not go for help to lawyers not of our faith. God does not desire us to open church difficulties before those who do not fear Him. He would not have us depend for help on those who do not obey His requirements. Those who trust in such counselors show that THEY HAVE NOT FAITH IN GOD. [...] They show that they have chosen the world as their judge, and in heaven their names are registered as ONE WITH UNBELIEVERS. Christ is CRUCIFIED AFRESH, and put to open shame." [3 Selected Messages, p. 299, emphases added]

It is with great sorrow and concern for your soul; therefore, we report that the General Conference Corporation of Seventh-day Adventists, the corporate head of the worldwide Seventh-day Adventist Church, has continued to bring lawsuits against fellow Adventist believers who refuse to submit to their steady compromise with the principles of the world, and their hardened creeds. The General Conference is attempting to force commandment-keeping brethren to give up the name "Seventh-day Adventist," despite it being "the name the Lord has given us," [2 Selected Messages, p. 384] as those who keep the Commandments of God and have the Faith of Jesus, (Revelation 14:12) not merely as members of a corporate body. No individual or Church has the authority to control matters of conscience, nor can it own a gift of God, to protect it with human laws and authority. The "very keeping of the Sabbath" forbids any such attempt to use the law to control the religious observances of others, [A.T. Jones, 1895 General Conference Bulletin, page 28] because it indicates that the plaintiffs have a lack of Sabbath rest in God's divine protection. Most recently, this very year, 2022, the General Conference has filed a three-point lawsuit against believers in the state of Texas in the United States. 2022 Letter to Seventh day Adventist Believers

This affects YOU directly, dearly beloved, because the Bible teaches that when Christ was crucified by the Sanhedrin, the corporate head of the Jewish Church, every member under them became guilty of the blood of the Savior. (Acts 2:36) As a second witness, we read the relevant principle: “For the leaders of this people cause them to err; and they that are led of them are destroyed.” (Isaiah 9:16) In matters of religion, we become guilty of that which we condone or allow with regard to the actions of our leadership. We inherit the character of those whom we regard as our Head, whether it is Christ and His true Church on earth, or organizations that unite with the world in order to force their decisions on others. “The General Conference Corporation of Seventh-day Adventists, ON BEHALF OF THE ENTIRE DENOMINATION, has registered under the United States trademark laws the name ‘Seventh-day Adventist’”. The General Conference Corporation, as the nonprofit property-holding corporation of the General Conference, is the sole registered owner of the trade mark and therefore under trademark law is the only party that needs to be named as a plaintiff in requesting this injunction on behalf of the entire Seventh-day Adventist Church.” [“General Conference trademark policy,” Ministry Magazine, December 1988, emphasis added] Yes, it is under your name, as a member of the Seventh-day Adventist denomination, that this Trademarked name was created, and by which these legal claims are being pursued. Because of what your leaders have done, you have been personally made a plaintiff in these lawsuits, and a participant in the persecution of Bible-believing Christians!

What would God have you do?

In Christian love, we urge you to search out and verify this information, and then, in order to preserve your faith and character intact, to ACT. Join the growing protest against the union of Church and State that has been formed in order to accomplish this persecution of Bible-believing Christians. Cease to support the actions of wicked and worldly men with your membership, tithes, talents and time. Separate yourself from the unrepentant and worldly-minded, and find the Little Flock that remains faithful to its Savior. Learn the significance of this matter from the experience of the believers in Christ’s day: “With the other priests [Caiphas] instructed the people to choose Barabbas instead of Christ. They cried out for the crucifixion of Christ and, as REPRESENTATIVES of the Jewish nation, placed themselves under the Roman jurisdiction, which they despised, by saying, ‘We have no king but Caesar.’ When they said this, THEY UNCHURCHED THEMSELVES.” [Manuscript Releases Vol. 12, p. 388, emphasis added]

In these last days, just before Christ returns, we find history repeating itself in shocking, but unmistakable ways. We offer you the following resources to start this journey of discovery, which we pray will result in your rejection of this IMAGE of papal Rome, which also brought the powers of the world against the humble servants of Christ, and succeeded only in prompting a Reformation of Biblical faith, and a renewed focus on building the Christian Character: [\[https://www.youtube.com/watch?v=a1nzH9-Ghzw\]](https://www.youtube.com/watch?v=a1nzH9-Ghzw)
